

# Zebra

## Beach House

You know you're gold, you don't gotta  
worry none  
Oasis child, born and so wild  
Don't I know you better than the rest  
All deception, all deception from you Your love is stag in the white sand  
Wilderness for miles, eyes so mild and  
wise  
Don't I know you better than the rest  
All deception, all deception from you Any way you run, you run before us  
Black and white horse arching among  
us  
Any way you run, you run before us  
Black and white horse arching among  
us Your love is stag in the white sand  
Oasis child born into a man  
Don't I know you better than the rest  
All deception, all deception from you  
Wilderness for miles, eyes so mild and  
wise  
Oasis child, born and so wild  
Don't I know you better than the rest  
All deception, all deception from you Any way you run, you run before us Black and white  
horse arching among us Any way you run, you run before us  
Black and white horse arching among  
us  
Any way you run, you run before us  
Black and white horse arching among  
us Any way you run, you run before us  
Black and white horse arching among  
us
