

Love Her Too (feat. G-Eazy)

Marc E. Bassy

If I love her and I love you
Could you love her too
Walking away from her
I'm afraid to do
The moment I choose one day, one piece
Of my heart gon' lose
If I love her and I love you
Could you love her too I'll be on my cliché, tryna find the three-way
Grew up on rappers from the East Bay
Can't pull myself off this leeway
I pay for balls, ain't no cheap day
My good intentions ain't no wiser
Make me walking lose fire
But I would be alive
If I, if I, if I If I love her and I love you
Could you love her too
Walking away from her
I'm afraid to do
The moment I choose one day, one piece
Of my heart gon' lose
If I love her and I love you
Could you love her too Oh-la-la-la-la-la-la-la
Oh-la-la-la-la-la-la-la-la
Oh, yeah, yeah
I'm like Romeo for like 95 Rio
Do love you with you both, let's have a trio
Take a trip to Rio we can keep it on a D-low
They ain't gonna know but we go
Know you got somebody but, really what does he know?
Baby, pretty black and Filipino
That's a hunch I keep it in C no
You like us all the gamble
I feel like the casino out of Reno
But I tell the truth to the way I felt that she knows
Anything, anything, I do it for my sweetie pie
She know I will die before I ever share a piece of mine
Alright, but this time I'll have to ask the thrill fly
Man, this shit gets so fast, why I even try?
Is she down, or is it only gon' be she and I?
Normally my girl will tell you
Really I'm the sweetest guy
But this mind really set it off, I can't even lie If I, if I, if I If I love her and I love you

Could you love her too
Walking away from her
I'm afraid to do
The moment I choose one day, one piece
Of my heart gon' lose
If I love her and I love you
Could you love her too Oh-la-la-la-la-la-la-la
Oh-la-la-la-la-la-la-la-la-la (yeah)
Oh-la-la-la-la-la-la-la-la-la
Oh-la-la-la-la-la-la-la-la-la
