

Reason

Unspoken

[Verse 1]

This year's felt like four seasons of winter
And you'd give anything you think to feel the sun
Always reaching, always climbing
Always second guessing the timing
But God has a plan, a purpose in this
You are His child and don't you forget [Chorus]
He put that hunger in your heart
He put that fire in your soul
His love is the reason (Ooh-ooh, ooh-ooooh)
To keep on believing (Ooh-ooh, ooh-ooooh)
When you feel like giving up
When you feel like giving in
His love is the reason (Ooh-ooh, ooh-ooooh)
To keep on believing (Ooh-ooh, ooh-ooooh)

[Verse 2]

If we could pull back the curtain of Heaven
We would see His hand on everything
Every hour, every minute
Every second, He's always been in it
Don't let a shadow of a doubt take hold (Take hold)
Hold on to what you already know [Chorus]
He put that hunger in your heart (Hunger in your heart)
He put that fire in your soul (Fire in your soul)
His love is the reason (Ooh-ooh, ooh-ooooh)
To keep on believing (Ooh-ooh, ooh-ooooh)
When you feel like giving up (Feel like giving up)
When you feel like giving in (Giving in)
His love is the reason (Ooh-ooh, ooh-ooooh)
To keep on believing (Ooh-ooh, ooh-ooooh)
(It's the reason) It's the reason, ah-ah-ah
(It's the reason) It's the reason, ah-ah-ah-ah-ah
His love is the reason, ooh-ooh-ooh-ooh-ooooh

[Bridge]

He's the peace in the madness
That you can't explain
He's the hope in the heartbreak
The rest in the suffering
He's closer than the air you breathe
From the start to the end to the in between
Don't you dare doubt even for a minute
What He started in you, yeah, He's gonna finish [Chorus]

He put that hunger in your heart (Hunger in your heart)
He put that fire in your soul (Fire in your soul)
His love is the reason (Your love, Your love)
To keep on believing (Just keep on believing)
When you feel like giving up (Feel like giving up)
When you feel like giving in (Oh)
His love is the reason (Your love, Your love)
To keep on believing
(It's the reason) It's the reason, ah-ah-ah (It's the reason)
(It's the reason) It's the reason, ah-ah-ah-ah-ah (It's the reason)
His love is the reason
(It's the reason) It's the reason, ah-ah-ah
(It's the reason) It's the reason, ah-ah-ah-ah-ah
His love is the reason (Hey, hey)
