

# Little Monster

## Royal Blood

Hey little monster, I got my eye on you  
Where are you going, where you running to?  
Hey little monster, you know it's all ok  
I'm gonna love you, no matter what you say I got love on my fingers  
Lust on my tongue  
You say you got nothing  
So come out and get some  
Heartache to Heartache  
I'm your wolf- I'm your man  
I say run little monster  
Before you know who I am  
Hey little creature, tell me what's on your mind  
Where've you been hiding? Can I come this time?  
So pleased to please you, and rip that heart off your sleeve  
Let me discover I got love on my fingers  
Lust on my tongue  
You say you got nothing  
So come out and get some  
Heartache to Heartache  
I'm your wolf- I'm your man  
I say run little monster  
Before you know who I am  
I got love on my fingers  
Lust on my tongue  
You say you got nothing  
So come out and get some  
Heartache to Heartache  
I'm your wolf- I'm your man  
I say run little monster  
Before you know who I...am
