## Lil Cuete

:: :

I know you feel the same way to  
And I know you feel the same as I do  
So let's put all this bullshit aside  
Spread them legs and let me inside x2:: VERSE 1::  
I'm cruising in a regal  
With a desert eagle  
I see this hyna jockin  
Players know I'm stoppin'  
I have to turn around  
But first I look around,  
I Have to watch my back  
I don't know where this bitches boyfriends at  
I pull up to her side and I tell her jump in  
My rolas bumpin'  
Notice something's on my mind  
You're looking fine and you know it  
You know your ass and titties look good  
Because you show 'em,  
I wanna hold 'em  
Kiss 'em and come and you can suck it  
I love it when a bitch trips in front of me  
Girl don't be frontin' me  
Let me see how bad you are  
Let me see how far you can take it down your throat  
Try not to choke  
You don't need to swallow  
But suck me til' I'm hallow  
And then call me up tomorrow  
Oh, I'm sorry! Did I take it too far?  
If you don't wanna fuck,  
get the fuck up out my car:: :  
I know you feel the same way to  
And I know you feel the same as I do  
So let's put all this bullshit aside  
Spread them legs and let me inside x2:: VERSE 2::  
I love the girls that flirt  
Look at the little mini skirt  
That she's wearin'  
I know she's loving it when I'm starin'  
I got my eyes on her  
Her eyes on me

I guarantee  
Later on we'll be fuckin in between the sheets  
I know you feel the same way to  
Your boyfriend dont have to know what we do  
As long as no one finds out  
And runs around about me and you  
We could do what we do  
When ever we want to  
Call me on the phone  
I'll show up alone  
Ready to bone  
Makin' you moan  
I'll take off your clothes  
We're both getting ours while we're bumpin' my flows  
No body knows like a big secret  
And thats the way i wanna keep it  
Just between me and you  
You and me  
Will know what we do  
So stop acting like you dont want to  
I know you want to:: :  
I know you feel the same way to  
And I know you feel the same as I do  
So let's put all this bullshit aside  
Spread them legs and let me inside x2:: VERSE 3::  
You know I'm not the type of guy  
To sit around and watch you lie  
Know that I'm the type of guy  
That I'll fuck you and go slip a dime  
Never waste my time  
On a bitch that can't make up her mind  
Its now or never  
So make your choice  
I know you like my voice  
When you hear my tongue flip  
Picture me doing it on your clit  
Or picture it rubbing it with my dick  
Any way you like it  
I'll give it to you quick  
Let me see your tits  
Put ur nipple to my lips  
I'll kiss your whole body  
When we're acting naughty  
I'd love to see your body  
On top of my body  
Smokin' on some yieska  
While we're drinking bacardi  
When your man gets you mad  
Call me up and we'll party:: :

I know you feel the same way to  
And I know you feel the same as I do  
So let's put all this bullshit aside  
Spread them legs and let me inside x3
