

# Have It All (Acoustic)

Jason Mraz

Verse 1: May you have auspiciousness and causes of success  
May you have the confidence to always do your best  
May you take no effort in your being generous  
Sharing what you can, nothing more nothing less May you know the meaning of the word  
happiness  
May you always lead from the beating in your chest  
May you be treated like an esteemed guest  
May you get your rest, may you catch your breath Pre-chorus: May the best of your todays be  
the worst of your tomorrows (wohoh)  
May the road less paved be the road that you follow (wohoh)  
Chorus: Well, here's to the hearts that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it Here's to the good times we're gonna have  
You don't need money, you got free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all Ohh! I want you to have it all  
I want you to have it (all)  
I want you to have it all Verse 2: May you be as fascinating as a slap bracelet  
May you keep the chaos and the clutter off your desk  
May you have unquestionable health and less stress  
Having no possessions though immeasurable wealth  
May you get a gold star on your next test  
May your educated guesses always be correct  
And may you win prizes, shining like diamonds  
May you really own it each moment to the next Pre-chorus: May the best of your todays be the  
worst of your tomorrows (wohoh)  
May the road less paved be the road that you follow (wohoh) Chorus: Well, here's to the hearts  
that you're gonna break  
Here's to the lives that you're gonna change  
Here's to the infinite possible ways to love you  
I want you to have it Here's to the good times we're gonna have  
You don't need money, you got free pass  
Here's to the fact that I'll be sad without you  
I want you to have it all Ohh! I want you to have it all  
I want you to have it  
I want you to have it all Bridge: Oh ho! I want you to have it  
Oh ho! All you can imagine  
Oh ho! No matter what your path is  
If you believe it then anything can happen Go go go! Raise your glasses!  
Go go go! You can have iiiiiiit all! I toast you! Chorus: Here's to the hearts that you're gonna  
break
