

# Better (feat. Yo Gotti)

[Meghan Trainor](#)

Finally blew up in my face  
Crash and burnt to pieces  
You got what you want from me  
I gave you what you needed  
I was warned but fooled by charm  
And you deserve to be alone  
And I deserve better, better than you  
I deserve better, better than you  
I deserve better  
Tell 'em what they already know, I deserve better  
Tell 'em what they already know, I deserve better  
I used to cry to all my friends  
But they would say, "I told ya"  
Finally, I can breathe again  
The weight is off my shoulders  
I was warned but fooled by charm  
And you, you deserve to be alone  
And I deserve better, better than you  
I deserve better, better than you  
I deserve better  
Tell 'em what they already know, I deserve better  
Tell 'em what they already know, I deserve better  
Let's talk about the word "deserve"  
Or talk 'bout the world deserves a queen (You queen)  
Let's talk about that four letter word: love  
I think you deserve a king  
I think you deserve the world and everything in it  
And I try to go get it to show you I meant it when I  
Tell you I'm sorry, tomorrow I promise that I  
Try to better, I'll do whatever for mine  
And I ain't tryna be your friend's friends  
Or your quote unquote fake friend, that's why I hate friends  
I'd rather see you laugh to see you cry  
I'd rather see you lead and tell a lie  
And you ain't gotta say it, you deserve better  
I deserve better, better than you  
I deserve better, better than you  
I deserve better  
Tell 'em what they already know, I deserve better  
Tell 'em what they already know, I deserve better
