

Turbulence (feat. Lil Jon)

Steve Aoki & Laidback Luke

Ladies and gentlemen,
Welcome to flight 909
Taking you on a journey
All around the world
With your captains...
Steve Aoki
Lil Jon
Laidback Luke
Are you ready?
Are you ready?
Ready for takeoff
We hit turbulence.Let's go
What a rush
Yeah!Attention passengers
This is your captain speaking
I regret to inform you, we might encounter some turbulence
So when it happens
Put your hands up high
Like you on a roller coaster
Initiate emergency procedures
Up up up up up up
Higher higher higher higher higher higher higher higher higher
We hit turbulence, yeah!Let's go
What a rush
Yeah!
