

Tell Me Something I Don't Know

Selena Gomez & The Scene

Everybody tells me that it's so hard to make it
It's so hard to break in
There's no way to fake itEverybody tells me that it's wrong what I'm feelin'
And I shouldn't believe in
The dreams that I'm dreamin'I hear it every day
I hear it all the time
I'm never gonna amount too much
But they're never gonna change my mind, noTell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know
Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't knowLike how many inches in a mile
What it takes to make you smile
Get you not to treat me like a child, babyTell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't knowTell me
Tell me something I don't know
Tell me
Tell me something I don't know
Everybody tells me I don't know what I'm doing
The life I'm pursuing
The odds I'll be losing
Everybody tells me that it's one in a million, no
One in a billion, oh
One in a zillionI hear it every day
I hear it all the time
I'm never gonna amount too much
But they're never gonna change my mind, noTell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't knowTell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't knowLike how many inches in a mile
What it takes to make you smile
Get you not to treat me like a child, babyTell me, Tell me, Tell me
Something I don't know
Something I don't know

Something I don't know Selena hit the track
Like Katrina makin' waves
Like Cold Medina, make 'em say
"I'm ready!"
Are you ready for it?
Yeah, I'm ready for it
Really ready for it?
Yeah, I'm ready for it
Let's get ready for this I'm on my way
I know I'm gonna get there someday
It doesn't help when you say
It won't be easy Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know Like how many inches in a mile
What it takes to make you smile
Get you not to treat me like a child, baby Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know
Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know
Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know
Like how many inches in a mile
What it takes to make you smile
Get you not to treat me like a child, baby
Tell me, Tell me, Tell me
Something I don't know
Something I don't know
Something I don't know
