

Break the Rules

Charli XCX

Electric lights
Blow my mind
But I feel alright And never stop, it's how we ride
Coming up until we die You catch my eye
Bitch you wanna fly
I'm so alive And never stop, it's how we ride
Coming up until we die
I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules
I'm such a star
Queen boulevard
Blaze through the dark And never stop, it's how we ride
Coming up until we die I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school
I just wanna break the rules Get my guitar
Sunglasses on
So light it up And never stop, it's how we ride
Coming up until we die I don't wanna go to school
I just wanna break the rules
Boys and girls across the world
Putting on our dancing shoes
Going to the discotheque
Getting high and getting wrecked
I don't wanna go to school

I just wanna break the rulesNa na na na na na
