

# Hung Up on You

Tate McRae

do you ever feel like your are running in slow motion?  
Do you ever get that feeling that the door wont budge  
no matter how hard you try?  
do you ever stay up all night?  
cause you feel youre not enough  
well i do  
i think its cause im still hung up on you  
ooh ooh ohh  
im still hung up on you  
what have you  
put me through?  
my mind aint got a clue  
oooh oh  
dont know what to do i aint over you  
ahh aah oh  
wander in the middle of a really bad  
dream and you decide that thats enough  
so you tryna tell yourself the fears are all gone  
but you just cannot wake up  
you ever have those these when youre stuck in your  
head but you cant explain why?  
well i do  
and this time i aint gonna lie  
ooh ooh ooh  
im still hung up on you  
what have you put me through?  
my mind aint got a clue  
ah oh  
dont know what to do i aint over you  
aah aah ooh  
then i start to realise  
youre not there anymore  
and i cant look into youre eyes and feel like before  
you will never understand how confusing it was  
you never took the time to explain why such a long pause  
ooh ooh  
im still hung up on you  
what have you put me through  
my mind aint got a clue  
ah oh  
dont know what to do i aint over you  
aah aah ooh

oh  
oh  
i dont know what to do  
oh  
oh  
im still hung up on you  
oh  
oh  
my mind aint got a clue  
oh  
oh  
then i start to realise  
your not there anymore  
and i cant look into youre eyes
