

# Hear Me

## Imagine Dragons

(Try, try, try, try, try, try, try, try)  
Try to hear my voice  
You can leave  
It's your choice  
Maybe if I fall asleep I won't breathe right  
Maybe if I leave tonight I won't come back  
I said it before I won't say it again  
Love is a game to you  
It's not pretend  
Maybe if I fall asleep I won't breathe right Can nobody hear me?  
I got a lot that's on my mind  
I cannot breathe  
Can you hear it too?  
You kiss and you kiss and you love and you love  
You got a history list and the rest is above  
And if you're warm then you can't relate to me  
From the floor to the floor and the sky to the sky  
you've got to love and adore and the rest is awry  
And if you're warm then you can't relate to me I said it before I won't say it again  
Love is a game to you  
It's not pretend  
Maybe if I fall asleep I won't breathe right, right, right Can nobody hear me?  
I got a lot that's on my mind  
I cannot breathe  
Can you hear it too? Leave your shoes at the door baby  
I am all you adore lately  
Come with me and we will run away  
Can nobody hear me?  
I got a lot that's on my mind  
I cannot breathe  
Can you hear it too? Can nobody hear me?  
I got a lot that's on my mind  
I cannot breathe  
Can you hear it too?
