

# Survival

## Madonna

I'll never be an angel  
I'll never be a saint, it's true  
I'm too busy surviving  
Whether it's Heaven or Hell  
I'm gonna be living to tell So, here's my story  
No risk, no glory A little up and down and all around  
It's all about survival I'll never be an angel  
I'll never be a saint, it's true  
I'm too busy surviving  
Whether it's Heaven or Hell  
I'm gonna be living to tell  
So, here's my question  
Does your criticism have you  
Caught up in what you cannot see?  
Well, if you give me respect  
Then you'll know what to expect A little up and down and all around  
It's all about survival  
Up and down and all around  
It's all about survival I'll never be an angel  
I'll never be a saint, it's true  
I'm too busy surviving  
Whether it's Heaven or Hell  
I'm gonna be living to tell So, here's my story  
No risk, no glory  
A little up and down and all around  
It's all about survival  
Up and down and all around  
It's all about survival Up and down and all around  
It's all about survival  
Up and down and all around  
It's all about survival (Up and down and all around)  
I'll never be an angel  
(Up and down and all around, survival)  
(Up and down and all around)  
I'll never be a saint, it's true  
(Up and down and all around, survival) (Up and down and all around)  
I'll never be an angel  
(Up and down and all around, survival)  
(Up and down and all around)  
I'll never be a saint, it's true  
(Up and down and all around, survival) (Up and down and all around)  
I'll never be an angel

(Up and down and all around)
