

# Moment In Time

## Cherish

(Verse 1)

I know most times I'm far away  
But still, I'm missing you  
(but still, I'm missing you)  
I said some things that I regret  
But I'll make it up to you  
Baby I can't breathe when you touch  
my body  
When your heart beats its like music to me  
And I can't see my life with out you  
Baby it's all up to you

(Chorus)

If I could make time stand still  
Then I know we can live this moment for ever  
Can we stay right here, you don't have to go baby close that door  
I really am missing you  
I rather be kissing you  
And I don't know what I would  
do, If I couldn't make love to you  
Over and Over and Over I wish that I  
could live this moment in time(Verse 2)

There were times of day I put my life completely in your arms  
And if you should feel I could do more to please you  
Then baby tell me how oh oh  
Baby I can't breathe when you touch my body  
When your heart beats its like music to me  
And I can't see my life with out you  
Baby it's all up to you

(Chorus)

If I could make time stand still  
Then I know we can live this moment for ever  
Can we stay right here, you don't have to go baby close that door  
I really am missing you  
I rather be kissing you  
And I don't know what I would  
do, If I couldn't make love to you  
Over and Over and Over I wish that I  
could live this moment in timeTime stand still (Can Time stand still)  
Then I know we can live this moment for ever (we can live this moment for ever)  
Can we stay right here (stay right here)  
You don't have to go (you dont have to go) baby close that door (close the door)  
I really am missing you

I rather be kissing you  
And I don't know what I would  
do, If I couldn't make love to you  
Over and Over and Over I wish that I  
could live this moment in time
