

The Nerve Calmer

Ying Yang Twins

[Kaine]
The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer[D Roc (Kaine)]
I'm kinda antsy in my mothafuckin pants
The average bro might not understand, bitch I'm a man (Man!)
And I mean it from the heart
I just hate it when you make your lips part
All you do is (nag, nag, nag)
Make a nigga (mad, mad, mad)
Gotta smoke me a (bag, bag, bag)
To keep from kickin yo' (ass, ass, ass)[Hook]
I need mo' weed
Just to smoke, so I can calm my nerves
Say I need, mo' weed
Just to smoke, so I can calm my nerves
Yaeeey!
[Kaine]
The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer
The nerve calmer
Yup!
