

Lay Me Down

Avicii

Lay me
La-la-lay me
La-la-lay me
La-la-lay me down
La-la-lay me
La-la-lay me
La-la-lay me
La-la-lay me down
La-la-lay me
La-la-lay me
La-la-lay me

La-la-lay me down I've been weak, things get tough
Sometimes my knees can barely hold me up
I'm no fool, but it's said
You gotta walk a mile to get outta my head
Come within, taste it up
Take a little bit and baby don't you give up
Get your life, give a damn
You gotta make a move and show me where we can stand Lay me down in darkness
Tell me what you see
Love is where the heart is,
Show me I'm the one, tell me I'm the one that you need,
Come on Lay me down in darkness
Tell me what you see
Love is where the heart is
Show me I'm the one, tell me I'm the one that you need,
Come on Show me I'm the one, tell me I'm the one that you need
Show me I'm the one, tell me I'm the one that you need
I got the time, it'll be alright, yeah
I got the time that you need, yeah We all bleed, bleed the same
If you get the picture, leave it outta the frame
In the now, take a chance
Make a mess, and don't forget that life is a dance Come within, taste it up
Take a little bit and baby don't you give up
Get your life, give a damn
You gotta make a move and show me where we can stand Lay me down in darkness
Tell me what you see
Love is where the heart is
Show me I'm the one, tell me I'm the one that you need,
Come on Lay me down in darkness, yeah
Tell me what you see
Love is where the heart is

Show me I'm the one, tell me I'm the one that you need
Show me I'm the one tell me I'm the one that you need
Show me I'm the one tell me I'm the one that you need
Show me I'm the one tell me I'm the one that you need
Mmmm-mmm me, show me baby baby
tell me that's me, yeah
I got the time, it'll be alright, yeah
I got the time that you need.
Come on!
La-la-lay me
La-la-lay me down
La-la-lay me down in darkness
