

# Ready For Love

## Raging Fyah

Woo Baby  
Woo Baby  
Are you ready, are you ready, are you ready  
Are you ready for love  
Woo Lawd yeahI Wonder if we stick together  
Through this weather we might find  
The love that so many search for  
And so many sing of in a lifetime  
But you got to be ready  
Got to be ready  
Ready ...for love  
You got to be ready  
Got to be ready  
Ready ...for loveI wonder if we share the same room  
Sweep with the same broom  
We might find  
The love that so many search for  
And so many sing of in a lifetime  
But you got to be ready  
Got to be ready  
Ready ...for love  
You got to be ready  
Got to be ready  
Ready ...for love
