

# Listen to Your Heart

Alicia Keys

He says  
"Have no fear  
open up  
Let me in"  
He says  
"Take a chance  
Here's your song  
Time to dance"  
"What you're gonna do when it comes for you?  
Listen to my heart  
Oh, You gotta listen to your heart  
Oh, Why don't you listen to your heart?"  
He says  
"Here's your sky  
Don't look down  
We can fly"  
You said  
"You're a little bit scared  
Just hold on  
We're almost there"  
"What you're gonna do when it comes for you?  
Listen to my heart  
Oh, You gotta listen to your heart  
Oh, Why don't you listen to your heart?"  
You never know until you try  
Why so scared when hearts don't lie?  
Turn off the world and close your eyes  
Lose yourself and listen to your heart  
Oh, Why don't you listen to your heart?  
Oh, Why don't you listen to your heart?  
Hey  
You know what to do when it comes for you  
Hey  
You gotta listen baby  
Aha, You gotta listen to it  
I'll get you hear it  
You gotta listen baby  
Mmm
