

# We Like To Party

Inna

Hey, what is your name what are you doing  
Said and done when it's a saturday night  
Hey, who do you think that you are fooling  
Look around you everybody's on by Uuhhhh we gonna do this alright  
Every day all day, all night  
Uuhhhh welcome to this part of life  
Every boy, every girl bring life We like to party, dance with somebody like you  
We like to, we like to, we like to  
We like to party, get super naughty with you  
We like to, we like to, we like to  
We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party  
We like to drink and kiss somebody  
Say, I'll make a move why don't you follow  
Come on over let me see what you got  
Ye, we go tonight until tomorrow  
Someone come and they be ready or not  
Uuhhhh we gonna do this alright  
Every day all day, all night  
Uuhhhh welcome to this part of life  
Every boy, every girl bring life We like to party, dance with somebody like you  
We like to, we like to, we like to  
We like to party, get super naughty with you  
We like to, we like to, we like to  
We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party  
We like to drink and kiss somebody  
I'll be there when you're looking up for me  
I'll be there in the spotlight  
I'll be there when you're looking up for me  
But I won't be there all night I'll be there when you're looking up for me  
I'll be there in the spotlight  
I'll be there when you're looking up for me  
But I won't be there all night We like to party, dance with somebody like you  
We like to, we like to, we like to  
We like to party, get super naughty with you  
We like to, we like to, we like to  
We like to dance, we like to party  
We like to drink and kiss somebody  
We like to dance, we like to party

We like to drink and kiss somebody We like to party, dance with somebody like you

We like to, we like to, we like to

We like to party, get super naughty with you

We like to, we like to, we like to

We like to dance, we like to party

We like to drink and kiss somebody

We like to dance, we like to party

We like to drink and kiss somebody
