

Whenever I Say Your Name (feat. Mary J. Blige)

Sting

Whenever i say your name, whenever i call to mind your face
whatever bread's in my mouth, whatever the sweetest wine that i taste
whenever your memory feeds my soul, whatever got broken becomes whole
whenever i'm filled with doubts that we will be together
Wherever i lay me down, wherever i put my head to sleep
whenever i hurt and cry, whenever i got to lie awake and weep
whenever i kneel to pray, whenever i need to find a way
i'm calling out your name
Whenever those dark clouds hide the moon
whenever this world has gotten so strange
i know that something's gonna change
something's gonna change
Whenever i say your name, whenever i say your name, i'm already praying, i'm already praying
i'm already filled with a joy that i can't explain
wherever i lay me down, wherever i rest my weary head to sleep
whenever i hurt and cry, whenever i got to lie awake and weep
whenever i'm on the floor
whatever it was that i believed before
whenever i say your name, whenever i say it loud, i'm already praying
Whenever this world has got me down, whenever i shed a tear
whenever the tv makes me mad, whenever i'm paralyzed with fear
whenever those dark clouds fill the sky, whenever i lose the reason why
whenever i'm filled with doubts that we will be together
Whenever the sun refuse to shine, whenever the skies are pouring rain
whatever i lost i thought was mine whenever i close my eyes in pain
whenever i kneel to pray, whenever i need to find a way
i'm calling out your name
Whenever this dark begins to fall
whenever i'm vulnerable and small
whenever i feel like i could die
whenever i'm holding back the tears that i cry
Whenever i say your name, whenever i call to mind your face
i'm already praying
whatever bread's in my mouth, whatever the sweetest wine that i taste
wherever i lay me down, wherever i rest my weary head to sleep
whenever i hurt and cry, whenever i'm forced to lie awake and have to weep
whenever i'm on the floor
whatever it was that i believed before
whenever i say your name, whenever i say it loud, i'm already praying
Whenever i say your name,

no matter how long it takes,
one day we'll be together
Whenever i say your name,
let there be no mistake
that day will last forever
