

# Merengue

Kent Jones

[Intro]

Oh yeah

Dance

Dance merengue

Baby[Chorus]

Dance merengue with you mama

Dance merengue know you wanna

A little Marc Anthony

It'll bring you right back to me

Dance merengue with you mama

Dance merengue know you wanna

A little Marc Anthony

It'll bring you right back to me

[Verse 1]

Hey

Got that iron how you did it like that

Low skirt with a booty underneath it like that

Hot like a summer girl you so fine

And you know I'm trying to give it to you on top

Don't wanna let you go

But you put up a wall like Mexico

I ain't trying to gas you up like Texaco

I just really wanna, really wanna let you know

[Pre-Chorus]

'Cause I know what you need

To make it through the night

I can get you right

And I know what you need

To make it through the night

I could ease your mind baby

Boricua, morena

Boricua, morena

Dominicana, Columbiana

Americana, Italiana[Chorus]

Dance merengue with you mama

Dance merengue know you wanna

A little Marc Anthony

It'll bring you right back to me

Dance merengue with you mama

Dance merengue know you wanna

A little Marc Anthony

It'll bring you right back to me[Verse 2]

I just wanna let you know  
Imma take this dance never let you go  
I know how you really feel if the rest don't know  
She said I ain't really trying to profess you know  
Fuck it, let's be professional  
I know to get, never get to know  
I ain't trying to save nothing  
But on my insurance I need to find me a girl on her Progressive flow[Pre-Chorus]  
'Cause I know what you need  
To make it through the night  
I can get you right  
And I know what you need  
To make it through the night  
I could ease your mind baby  
Boricua, morena  
Boricua, morena  
Dominicana, Columbiana  
Americana, Italiana[Chorus]  
Dance merengue with you mama  
Dance merengue know you wanna  
A little Marc Anthony  
It'll bring you right back to me  
Dance merengue with you mama  
Dance merengue know you wanna  
A little Marc Anthony  
It'll bring you right back to me  
Dance merengue with you mama  
Dance merengue know you wanna  
A little Marc Anthony  
It'll bring you right back to me  
Dance merengue with you mama  
Dance merengue know you wanna  
A little Marc Anthony  
It'll bring you right back to me[Outro]  
Dance merengue  
Dance merengue with you mama
