

# Superlove (Avicii vs. Lenny Kravitz)

## Avicii & Lenny Kravitz

I want you  
All of you  
Can we break through?  
And start anew? I want your superlove  
I wanna be inside your superlove  
I need the spirit with the sexual  
I'm gonna be inside your superlove We both know  
The way to go  
Let's take a chance  
It's our last dance  
I want your superlove  
I wanna be inside your superlove  
I need the spirit with the sexual  
I'm gonna be inside your superlove Superlove  
Your superlove  
The sexual  
I wanna be inside your superlove  
I want your superlove  
I wanna be inside your superlove  
I need the spirit with the sexual  
I'm gonna be inside your superlove
