

# Speed

## DJ Quik

Yea

I rough Voco, for my locos  
My nigga Hi-C, 2nd and None, AMG And the Q-U the new  
You knew I could flip it to any particular groove  
I came okay now, check it if you want to but it's all in vain  
Because my game is still the same Perfection, fill me as I fill you in  
I never rode a pony but I'm genuine  
So give me just a little bit of nicotine  
And a sticky green and I'm a hit it with the icky cream Booyah, I hit her on the neck with a whip  
And made the hooker jump without a safety net  
Hit the ground break her back  
Get up and do it again because she can really take a shot on the chin  
Caffeine, cappuccino chase it with some no-doz  
Up all night like the moon glows, searching for new hoes  
They really want to follow my lead  
Indeed and give a nigga just what I need When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast  
The Q U I K is the name I spell  
124 beats per minute I rock well because I'm tight to the second power  
When I hit the liquor, and I don't serve emcees  
I'm serve dickas Bang bang boogie when I hit a shot of loogie  
And the Booger try to put it on me  
But I get that moves to show her  
I flaunt it like Noah, I strut backside like a Boa Constrictor when I dicked her down  
Game feel just like a circus clown when I work this  
Jack of all trades, master to few  
Test these test these 1, 2 Gettin' down with my nigga AM to the G in the PM  
Hookers wanna see him  
Big cat callin', Superfat ballin'  
Indeed give us what we need When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast When I'm on speed  
I'm faster than most

And I can rock a party from coast to coast  
When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast  
Faster than the concord on board, call me the pilot  
Baby better let me know, she's excited  
In the testerosa, sippin' memosas  
Girls want me to sign posters  
International with the Steelo  
Got hookers from Cancoun to Reo  
Fire, ignite it but we don't even try it  
You can't, but it got freaks, have to hide it  
Hit the weed up, then turn the speed up  
The booty from the backs the only way I eat up  
Quicker than Jackie Chan  
I search off the Goochi like a rubber band  
You want to be more than the average man  
But the hoe needs more a job in a man and a retirement plan  
So baby don't cry the blues  
'Cause I know a gang of hoes in your shoes  
'Cause I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast  
When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast  
When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast  
When I'm on speed  
I'm faster than most  
And I can rock a party from coast to coast
