

The Right Kind of Love

Jeremy Jordan

It's the right kind of love
It's the right kind of night
You're the right kind of girl
Ooh
Oh, yeah
Hey, hey, ooh
It's the right kind of love
Kind of love Daydreamin' about you baby
And it must be love
Girl you make my heart go crazy
High as the Heaven's above, oh yeah
I hope you're thinkin' about me girl
Because all of my thoughts are with you
My love
There's no reason to doubt me
Believe me it's true
Girl, I know that I can give you The right kind of love
It's the right kind of night
You're the right kind of girl
And we're right on time Oh now baby
You know we can't go wrong, no
Why you trying to hold back baby
Tell me what you feel, yeah?
If you're having mixed emotions
I'll show you that I'm for real
What can I do to make you see?
There's nobody but you
And girl
It's not magic or fantasy
It's simple and true
I know that I can give you The right kind of love
It's the right kind of night
You're the right kind of girl
I'm the right kind of guy It's the right kind of love
On the right kind of night
There's the right kind of stars
In the right kind of sky Oh now baby
You know we can't go wrong
Girl, I got a heart that's true
I got the right kind of love
I'm gonna give it to you
And you got me romantic

Can't you see?
I'm the guy for you
And you're the girl for me I got a heart that's true
And a soul that's deep
I'll be the right kind of lover
Baby can't you see?
I'm gonna treat you
The right kind of way
You know it
So come on, girl stay Kind of love
Kind of night
You're the right kind of girl
And we're right on time
It's the right kind of love
On the right kind of night
There's the right kind of stars
Ooh I could do with a girl like you
I could do with a girl like you
I could do with a girl like you
See what I can do with a girl like you
Yeah
It's you and me together
It's the right kind of love
Right kind of stars
