

Free & Lonely

X Ambassadors

La la la, la la la la la la
La la la la la la
La la laLa la la, la la la la la la
La la la la la la
La la laGo back home
Get a job and get paid
Marry a girl
Go home and get laid
Buy a big old house where we both can live
Have a couple of drinks and have a couple of kidsWhoa oh, and I, I left my life behind
But I ain't got time to look back on
When I was free, when I was free
Free to be who I want to be
Free to not care, ahh
When I was free, free and lonely
People would see me on the street
They'd stop and stare
When I was freeLa la la, la la la la la la (Free and lonely)
La la la la la (Free and lonely)
La la laWhen I was free, yeah
Free and lonely
Free and lonelyMove out west
Living hand to mouth
My Hollywood plans have all gone south
So I move back east where I can pay the rent
But she want a big old house with a big old fence
Whoa oh, and I, I left my life behind
But I ain't got time to look back onWhen I was free, when I was free
Free to be who I want to be
Free to not care, ahh
When I was free, free and lonely
People would see me on the street
They'd stop and stare
When I was freeLa la la, la la la la la la (Free and lonely)
La la la la la (Free and lonely)
La la laWhen I was free, yeah
Free and lonely
Free and lonelyFree and lonely
When I was free
Free and lonely
People would see me on the street
They'd stop and stare

When I was free
