

# Free & Lonely

## X Ambassadors

La la la, la la la la la la  
La la la la la la  
La la laLa la la, la la la la la la  
La la la la la la  
La la laGo back home  
Get a job and get paid  
Marry a girl  
Go home and get laid  
Buy a big old house where we both can live  
Have a couple of drinks and have a couple of kidsWhoa oh, and I, I left my life behind  
But I ain't got time to look back on  
When I was free, when I was free  
Free to be who I want to be  
Free to not care, ahh  
When I was free, free and lonely  
People would see me on the street  
They'd stop and stare  
When I was freeLa la la, la la la la la la (Free and lonely)  
La la la la la (Free and lonely)  
La la laWhen I was free, yeah  
Free and lonely  
Free and lonelyMove out west  
Living hand to mouth  
My Hollywood plans have all gone south  
So I move back east where I can pay the rent  
But she want a big old house with a big old fence  
Whoa oh, and I, I left my life behind  
But I ain't got time to look back onWhen I was free, when I was free  
Free to be who I want to be  
Free to not care, ahh  
When I was free, free and lonely  
People would see me on the street  
They'd stop and stare  
When I was freeLa la la, la la la la la la (Free and lonely)  
La la la la la (Free and lonely)  
La la laWhen I was free, yeah  
Free and lonely  
Free and lonelyFree and lonely  
When I was free  
Free and lonely  
People would see me on the street  
They'd stop and stare
