

Candy

Cameo

It's like candy
I can feel it when you walk
Even when you talk it takes over me
You're so dandy
I wanna know
Can you feel it too just like I do(hoo!)This stuff is starting now
It's the same feeling
I always seem to get around you
There's no mistaking; I'm clearly taken
By the simple mere thought of you(oh!)This stuff is starting now
This stuff is starting now
This stuff is starting now
(hoo!)My eyes roll in my head
I toss and turn in my bed
In the morning when I think about you(yes I do)Simply put, you're the reason why
Even though I'm real shy(real shy)I attempt to look my best for you(indeed I do, just for
you)Cause you affect me, fascinate me
I thank heaven for the things that you do
It's like candy
You sure are sweet - Sweet!
You're so dandy
You're taking my appetite - but it's all rightIt's like candy
(ooh, vanilla! chocolate!)You look real nice, wrapped up tight
You're so dandy
You're giving me a heart attack
It's the kind I likeIt's like candy, you're so dandy...
You're like a brand new feeling
In a special way
A surprise package
On a bright clear sunny day
And wrapped up tight
(so good - so good)
Strawberry! raspberry!
All those good thangs!
Violets and gumdrops
That's what you're saying to me
(ow!)
(sweet candy - candy)
It's like candy
Sure seems like good candy to me
You're so dandy
Just keep doing what you do
