

Come Down

Sylvan Esso

Hey, Mama won't you come down
Heey Mama won't you come dooown
To the river, To wait, To beeee
Hey Mama won't you come down
Heey Mama won't come down
To the river, To wait, To beeee
Oooo wash my hair, like you wash my hair
For years and years
I'm going to wait
Oooo wash my hair, like you wash my hair
For years and years
I'm going to wait
There's a man, that I know
And I think he looves me sooo
Finally, I'm going to wait
So, Mama won't you come down
Heey Mama won't you come down
To the river, To wait, To be
