

Birthday

Selena Gomez

Tell 'em that is my birthday
Tell 'em that is my birthday
Tell 'em that is my birthday
When I party like that
Every night's my birthday They don't know, so it's okay
Tell 'em that is my birthday
When I party like that
Jazz it up
Jazz it up
Happy as can be, falling into you, falling into me (So yummy)
How do you do, calling me the queen, cake & cream
Blow your dreams, blow your dreams, blow your dreams away with me
Blow your dreams, blow your dreams, blow your dreams away with me
So yummy
Tell 'em that is my birthday
Tell 'em that is my birthday
Tell 'em that is my birthday
When I party like that
Every night's my birthday They don't know, so it's okay
Tell 'em that is my birthday
When I party like that
Jazz it up, jazz it up
Feeling fine and free Crashing into you, crashing into me, so yummy
It's all I wanna do, come and dance with me, pretty please
Blow your dreams, blow your dreams, blow your dreams away with me
Blow your dreams, blow your dreams, blow your dreams away with me
Tell 'em that is my birthday Tell 'em that is my birthday
Tell 'em that is my birthday
When I party like that
Every night's my birthday
They don't know, so it's okay
Tell 'em that is my birthday When I party like that
Tell 'em that is my birthday
Tell 'em that is my birthday
Tell 'em that is my birthday
When I party like that
Every night's my birthday
They don't know, so it's okay
Tell 'em that is my birthday
When I party like that
Blow your dreams, blow your dreams, blow your dreams away with me
Blow your dreams, blow your dreams, blow your dreams away with me

Blow your dreams, blow your dreams, blow your dreams away with me
Blow your dreams, blow your dreams, blow your dreams away with me

(Party hard, baby)

Tell 'em that is my birthday

Tell 'em that is my birthday

Tell 'em that is my birthday

When I party like that

Every night's my birthday

They don't know, so it's okay

Tell 'em that is my birthday

When I party like that

Tell 'em that is my birthday

Tell 'em that is my birthday

Tell 'em that is my birthday

When I party like that

Every night's my birthday

They don't know, so it's okay

Tell 'em that is my birthday

When I party like that
