

# Freaky Money (feat. Big Freedia)

RuPaul

(Goodevening everybody  
I'm so happy ya'll was up in here  
My name is Miss Valerie Valentine  
I'll be your hostess and MC this evening  
How's everybody doing?)RuPaulKiss me like you miss you  
Hump me like you hate me  
Shoot a movie on my face  
Take another picture  
Put it on Insta  
Common give me nother taste  
Pre ChrousScammin money, don't make me money  
But freaky money, you get the money  
Cause freaky money, you get the money  
Cause freaky, freakyAll up in the club, I'm making (money money money money)  
Waking down the street, I'm making (money money money money)  
When I shake my ass, I'm making (money money money money)  
Even when I sleep, I'm making (money money money money)A freaky d-d  
La La La La  
Ah, Get up!All up in the club, I'm making (money money money money)  
Waking down the street, I'm making (money money money money)  
When I shake my ass, I'm making (money money money money)  
Even when I sleep, I'm making (money money money money)Bridge X4  
Don't give me your love  
(I don't want it)  
Don't give me your love  
(I want your)Freaky MoneyRupaul 2Massicotte pisa  
Very Nice to meet yah  
Just relax and have a seat  
Checkin out my nasdaq  
While you lick my snack pack  
I'm an ATM machine(But right now please pause  
And put your hands together for the complex talents  
Of whoever ingnant ass is supposed to get up here  
Do we have somebody  
Charles?  
Can we have someone work the lights up in here?  
You hold your head high, you freaky bitch  
You got paid)Big Freedia 3(She want that money money, I want that money money)Big  
Freedia, better known as queen diva  
Cute features, hair long like Mona Lisa  
Pockets fat, I don't need to use my Visa  
Lotta freaky money when I'm booking out arenas

Ho's shaking money, making ass everywhere  
Toot it up, bend it over, for make a profit sale  
Make it work, make it twerk, I'ma take you there  
If you bout it throw your freaky money in the air  
Bridge X4 Don't give me your love  
(I don't want it)  
Don't give me your love  
(I want your)
