

You'll Never Know

Ariana Grande

Now you finally tell me how you feel
Guess your words just came a little too late
All the drama boy it's overkill
Don't get mad at me cuz you've been replaced, know your place
But if you woulda manned up, put your hand up, stand up
Tell me how you really felt
Then maybe it'd be different
If you spoke up would've listened
But now I'm with somebody else
And he loves me, too much for me to mess this up
And it sucks to be all in your pain, wondering
Where this thing could go, but
You will never know
What we could have been
If you would've shown
Your way back then
Boy you gotta (yep, yep)
Boy you shoulda (yep, yep)
Cuz you didn't know, so
Now you'll never know
You never know
Now it's probably hard for you to hear
But there's nothing left for you to say
Had my heart all in your hands
Boy, but you don't understand
Is a girl like me don't have no time to waste around
But if you woulda manned up, put your hand up, stand up
Tell me how you really felt
Then maybe it'd be different
If you spoke up would've listened
But now I'm with somebody else
And he loves me, too much for me to mess this up
And it sucks to be all in your pain, wondering
Where this thing could go, but
You will never know
What we could have been
If you would've shown (If you would've shown)
Your way back then
Boy you gotta (yep, yep)
Boy you shoulda (yep, yep)
Cuz you didn't know, so
Now you'll never know

You never know
(You never know)
Boy you should've told me, told me
(You never know)
Boy you should've let me know
(You never know)
Boy you could've been there for me
But now you'll never know
You never know
It's not my fault
You're a little bit too late
You're the only one to blame
Wipe that look off your face
You can wish a thousand times, but
None of that will change my mind boy
You had a chance you'll never get back (get back)
You will never know
What we could have been
If you would've shown (If you would've shown)
Your way back then (way back then baby)
Boy you gotta (yep, yep)
Boy you shoulda (yep, yep)
'Cause you didn't know, so
Now you'll never know
My baby
(You never know)
Boy you could've told me, told me
(You never know)
Boy you could've let me know
(You never know)
Boy you could've been there for me
Boy you'll never know
You never know
(You never know) You'll never know, you'll never know, oh baby
(You never know)
(You never know)
You'll never know
