

Rendezvous (feat. Leon Thomas) [Madeaux Remix]

Kronic

Let me share a secret
Girl, your showing off your weakness
Party every weekend
And you blacking out to free yeah (?) This ain't a Rendezvous
I'm addicted to the way you love that ooo
That's how I feel about you
This ain't a Rendezvous
I'm addicted to the way you love me me too
Who are you loyal to?
I was born in the 90's she was born in the 80's
You been on too wild you be going too crazy
I'm addicted to you baby but you gotta slow it down
Way to wavy and you tryna fall down
Ready call the climb got your thing of water now now now now (?)
And you got your girlfriend making room on the couch
And you trying to lean on me now Let me share a secret
Girl your showing off your weakness
Party every weekend
And you blacking out to free yeah This ain't a Rendezvous
I'm addicted to the way you love that ooo
That's how I feel about you
This ain't a Rendezvous
I'm addicted to the way you love me me too
Who are you loyal to?
I ain't here to argue I ain't with the back and forth
But you got me so addicted that I'm always wanting more
Got me coming through late knocking on the door
I can see you through the window passed out on the floor
Hey nah nah nah nah nah
This is who I've to let go
I said nah nah nah nah nah
I just had to let you know Let me share a secret
Girl your showing off your weakness
Party every weekend
And you blacking out to free yeah This ain't a Rendezvous
I'm addicted to the way you love that ooh
That's how I feel about you
This ain't a Rendezvous
I'm addicted to the way you love me me too
Who are you loyal to? (Ooh) let me a light to your darkness

Girl you gotta place where my heart is
(Ooh) let me a light to your darkness
Light to your darkness yeah This ain't a Rendezvous
I'm addicted to the way you love that ooh
That's how I feel about you
This ain't a Rendezvous
I'm addicted to the way you love me me too
Who are you loyal to?
