

Let Me Down Easy

Sheppard

Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Night and day Ive been doing the math
To calculate where we wandered off track
But I know, that this love was never easy
But somethings faded inside of your heart
Now youre crusading to tear us apart
Its clear now, I know youre gonna leave me
So disappear now, I wont get in your way
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Well how do I begin to convince you to love me
When youre a star in the sky up above me
And Im too far down below
Your heavy heart is taking its toll
Youve lost all the magic inside of your soul
So sell me a lie before you hit the road
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Oh yeah cause I know youd rather run than stay
and try
Cause I know its that much easier to say goodbye
Yes I know, so if youve made your mind
Take what you want and get out of my life
But can you do this one last thing
And leave me with my pride
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Oooohhhh
Let me down easy
Let me down easy, Woooahhh, before you go
Night and day Ive been doing the math
To calculate where we wandered off track
But I know, that this love was never easy
But somethings faded inside of your heart
Now youre crusading to tear us apart
Its clear now, I know youre gonna leave me
So disappear now, I wont get in your way
