

# Crazy Love

Van Morrison

I can hear her heart beat from a thousand miles  
And the heaven opens everytime she smiles  
And when I come to her that's where I belong  
Yet I run into her like a river's song  
Chorus:  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She's got a fine sense of humour when I'm feeling  
low down  
And when I come to her when the sun goes down  
take away my trouble, take away my grief  
Take away my heartache in the night like a thief  
Chorus:  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
And I need her in the daytime  
I need her  
And I need her in the night  
I need her  
And I want to throw my arms around her  
I need her  
And kiss and hug her kiss and hug her tight  
And when I'm returning from so far away  
gives me some sweet lovin' brightens up my day  
Yet it makes me righteous, yes it makes me whole  
Yet it makes me mellow down into my soul  
Chorus:  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love  
She give me love, love, love, love, crazy love
