

# Believe

## Staind

I sit alone and watch the clock  
Trying to collect my thoughts  
All I think about is you And so I cry myself to sleep  
And hope the devil I don't meet  
In my dreams that I live through Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong  
Believe in me  
This life's not always what it seems  
Believe in me  
'Cause I was made for chasing dreams  
All the smiles you've had to fake  
And all the shit you've had to take  
Just to lead us here again I never have the things to say  
To make it all just go away  
To make it all just disappear Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong  
Believe in me  
This life's not always what it seems  
Believe in me  
'Cause I was made for chasing dreams It's my life, it's my choice  
Hear my words, hear my voice  
And just believe  
I sit alone and watch the clock  
Trying to collect my thoughts  
And all I think about is you If you believe in me  
Life's not always what it seems  
Believe in me  
'Cause I was made for chasing dreams Believe in me  
I know you've waited for so long  
Believe in me  
Sometimes the weak become the strong  
Believe in me  
This life's not always what it seems  
Believe in me  
'Cause I was made for chasing dreams
