

# Girl Gone Wild

Tiffany Evans

Dut, dut, dum, dum, dum, doom  
(Get upstairs tiff)  
Dut, dut, dum, dum, dum, doom  
(and change your clothes quick)  
Dut, dut, dum, dum, dum, doom  
(zip your coat up)  
Dut, dut, dum, dum, dum, doom  
(you chillin wit da clutch) [verse 1 tiffany]  
your da privite school girl  
wit your skirt rolled up  
showing off what you aint even got yet (got yet)  
you need to button up your blouse  
put back on your vest  
cuz your out here lookin a mess  
you must be tryna catch a cold (catch a cold)  
where your mom and pops at?  
how dey feel about that?  
girl you need to stop that you know (you know)  
tryna fit in the outfit  
tell you what you gone get  
whatcha you dont want  
[bridge]  
you showin skin  
you showin legs  
you gone get hurt what i said  
you bumped your head  
cuz you mama 34 and she still be up in da club  
your daddy he aint got no key since they broke up  
and he a thug  
she goin online  
she losin her mind  
she showin her behind and child it's...  
[chorus]  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild

(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild) [verse 2]  
your da chat room girl  
wit your webpage up  
impersonatin grown folks stop that (stop that)  
you betta cut that tease  
you way outta your league  
before you do something you cant take  
sneakin out that door, don't nobody know  
aint nothing out in them streets  
nobody wants you girl please  
fall back girl slow your roll  
(your roll)  
before you out of control  
cant nothin save you no no [bridge]  
you showin skin  
you showin legs  
you gone get hurt what i said  
you bumped your head  
cuz you mama 34 and she still be up in da club  
your daddy he aint got no key since they broke up and he a thug  
she goin online  
she losin her mind  
she showin her behind and child it's. [chorus]  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)  
just another girl gone wild  
(just another girl gone wild)
