

Disposable Teens

Marilyn Manson

And I'm black rainbow
and I'm an ape of god
I got a face that's made for violence upon
and I'm a teen distortionsurvived abortion
a rebel from the waist downYeah, yeah, yeah yeah yeah
Yeah, yeah, yeah yeah yeah
I wanna thank you mom
I wanna thank you dadfor bringing this fucking world
to a bitter end
I never really hated the one true god
but the god of the people I hated
You said you wanted evolution
The ape was a great big hits
You said you wanted revolution, man
And I say that you're full of shitWe're disposable teens
We're disposable teens

The ape with the great big hitsYou said you wanted revolution, man
And I say that you're full of shit

The more that you fear us, the bigger we get
The more that you fear us, the bigger we get
And don't be surprised, don't be surprisedDon't be surprised when we destroy all of it

The ape was a great big hit
You said you wanted revolution, manAnd I say that you're full of shit
Yeah yeah yeah
You said you wanted evolution
The ape was a great big hit
You said you wanted revolution, man
And I say that you're full of shit
