

# Break Loose (Volant Remix) [feat. Splitbreed]

## Televisor

Any other day I would wake up,  
Press start on my K-cup.  
Think about the time you take up,  
While you put on your make up.  
But that make-up don't hide those lies you tell.  
We go round and round on this carousel.  
I can see the signs, baby you can spell.  
Being with you is H.E.L.L  
Bitch.(Think about the time you take up,  
when you put on your make up.)  
Please don't worry about a thing.  
Please don't worry  
Please don't worry  
Please don't worry about a thing.  
And I'm sorry baby but it didn't mean a thing.  
I can see you're hurt and I know all the worry that it brings.  
Just believe when I tell you that it didn't mean a thing.  
Cause you're the one that I want so please don't worry about a thing.Don't let the door hit you  
on the way out.  
Ain't it funny how all the games played out.  
Like I don't know what you're doing when you stay out.  
Try to lock me down,  
I had to break out.  
cause you lie, repeat, rewind, retweet.  
Then act like hoes that you see on TV.  
Ha, what a crying shame.  
With that body and that frame and only half a brain.(Think about the time you take up,  
when you put on your make up.)  
Please don't worry about a thing.  
Please don't worry  
Please don't worry  
Please don't worry about a thing.  
And I'm sorry baby but it didn't mean a thing.  
I can see you're hurt and I know all the worry that it brings.  
Just believe when I tell you that it didn't mean a thing.  
Cause you're the one that I want so please don't worry about a thing.Any other day you could  
lie to me and I'd say baby it will be OK.  
But today is not one of those special days and baby girl I'll be on my way.  
Doin' me and,  
any other day you could cry to me and I'd wash those tears away.  
But everybody know that you're playin' sweet girl you ain't no Sarah Lee.  
I'm doin' me.Don't let the door hit you on the way out.

Ain't it funny how all the games played out.  
Like I don't know what you're doing when you stay out.  
Try to lock me down,  
I had to break out.  
'cause you lie, repeat, rewind, retweet.  
Then act like hoes that you see on TV.  
Ha, what a crying shame.  
With that body and that frame and only half a brain.  
Damn. Yeah Yeah yeah yeah, with that body and that frame and only half a brain. x2Damn.
