

# Slow Fade

## Casting Crowns

Be careful little eyes what you see  
It's the second glance that ties your hands  
As darkness pulls the strings  
Be careful little feet where you go  
For it's the little feet behind you  
That are sure to follow It's a slow fade  
When you give yourself away  
It's a slow fade  
When black and white have turned to gray Thoughts invade, choice is made,  
A price will be paid  
When you give yourself away  
People never crumble in a day  
It's a slow fade, it's a slow fade  
Be careful little ears what you hear  
When flattery leads to compromise,  
The end is always near  
Be careful little lips what you say  
For empty words and promises  
Lead broken hearts astray It's a slow fade  
When you give yourself away  
It's a slow fade  
When black and white have turned to gray  
Thoughts invade, choice is made,  
A price will be paid  
When you give yourself away  
People never crumble in a day The journey from your mind to your hands  
Is shorter than you're thinking  
Be careful if you think you stand  
You just might be sinking  
It's a slow fade  
When you give yourself away  
It's a slow fade  
When black and white have turned to gray  
Thoughts invade, choice is made,  
A price will be paid  
When you give yourself away  
People never crumble in a day  
Daddies never crumble in a day  
Families never crumble in a day Oh be careful little eyes what see  
Oh be careful little eyes what you see  
For the Father up above is looking down in love  
Oh be careful little eyes what you see
