

Hope This Makes You Love Me

Tank

Look at me i'm such a mess
and i normaly would keep this off to myself
all my heart is filled with pain
and i normaly wouldn't cry but ima' let it rainso i'm:
praying now
i give to the honest now
im reading vocs so high
a better me can't be found out
fill my lung
im broke from what it cost
i ain't got much left
but i want you to have it all
and i hope this makes you love me
and i hope this makes you love me
i be doing everything for you
and i know it sounds crazy
but i hope this makes you love me
love me love me love me love me love melook at me
im such a mess
my bride being told
my ego give it the rest
all my heart ist filled with pain
and i normaly don't think but ima' beg you again
cause i,
praying now
i give to the honest now
im reading vocs so high
a better me can't be found out
fill my lung
im broke from what it cost
i ain't got much left
but i want you to have it alland i hope this makes you love me
and i hope this makes you love me
i be doing everything for you
and i know it sounds crazy
but i hope this makes you love me
love me love me love me love me love mecome get all i need is to beg you
emergency i'll be there to rescue
i'll go through the fire to save you
girl i thank the lord that he made you
by my highest mountain to be there
follow you wherever you go

life without you how could that be fair?
i do all of this to let you know i hope - that this - makes you - love me - yeah
i hope this makes you love me
say that makes you love me
