

Peter Pan

[Kelsea Ballerini](#)

The smile, the charm, the words, the spark
Everything, you had it
I guess I had a naive heart, cause boy
I let you have it
You said I was your only
I never thought you'd leave me lonely
You're just a lost boy, with your head up in the clouds
You're just a lost boy, never keep your feet on the ground
You're always gonna fly away, just
because you know you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man
Peter Pan
Deep down, I knew that you were too good to be true
But every piece and part of me wanted to believe in you
But now it's happily ever never
I guess now I know better
You're just a lost boy, with your head up in the clouds
You're just a lost boy, never keep your feet on the ground
You're always gonna fly away, just
because you know you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man
Peter Pan
You're just a lost boy, yeah, I know who you are
You don't know what you lost, boy
You're too busy chasing stars
You're always gonna fly away, just because you know you can
You're never gonna learn there's no such place as Neverland
You don't understand
You'll never grow up
You're never gonna be a man
Yeah, you'll never grow up
And you're never gonna be a man
Peter Pan
Never gonna be a man
