

# Honey

Moby

Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes  
Get my honey come back, sometimes  
Get my honey come back, sometimes  
Get my honey come back, sometimes  
Way down yonder, get my honey come back  
Way down yonder, get my honey come back  
Way down yonder, get my honey come back  
Way down yonder, get my honey come back  
Way down yonder, get my honey come back  
Way down yonder, get my honey come  
Way down yonder back  
Get my honey come back, sometimes  
I wanna rap like that, sometimes  
I get a hump in my back, sometimes  
I'm going over here, sometimes
