

You've Changed

Eva Cassidy

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
It's all over now
You've changed You've changed
Your kiss is now are so blase
You're bored with me in every way
You're breaking my heart
You've changed
You've forgotten the words
I love you
Each memory that we've shared
You ignore every star above you
I can't realise that you ever cared You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now
You've changed You've forgotten the words
I love you
Each memory that we've shared
You ignore every star above you
I can't realise that you ever cared
You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
It's all over now
You've changed Yeas It's over now
You've changed
