

# I

## Donae'o

I don't know what awaits me (x8)Verse  
The rain keeps falling down on me but  
I know the sun is coming back  
And I can't let nobody hold me  
Can't let nobody hold me back  
I said to God I need your help  
Lord mother, father I need your help  
I'm asking God to save me  
The Lord said I need to save myself  
Save myself and I sayChorus  
I got to get up, I got to be strong, and I got to move forward  
I got to be focused and motivated (Hey and I)  
I got change to make it better  
Got to change to be a better man  
I don't know what awaits me (x8)Verse 2  
While walking through my own life journey  
Sometimes I get pushed off the track  
And I know that destiny deserves me  
And you better know I got your back  
So I said to God I need your help  
Lord mother, father I need your help  
I'm asking God to save me  
The Lord said I need to save myselfSave myself and I sayI got to get up, I got to be strong, and  
I got to move forward  
I got to be focused and motivated (Hey and I)  
I got change to make it better  
Got to change to be a better man  
I got to; I got to move on yeah  
I got to; I got to move on yeah  
I got to; I got to move on yeah  
I will move onBridge  
Well it doesn't make sense me sitting here waiting  
(Sitting here waiting)  
So I got to put my feet back on the ground  
(Back on the ground)  
And I know if I ask God he'll never help me  
(Help, help, help me Lord)  
So I got to learn to fend for myself  
(For myself)I got to get up, I got to be strong, and I got to move forward  
I got to be focused and motivated (Hey and I)  
I got change to make it better  
Got to change to be a better manI got to; I got to move on yeah

I got to; I got to move on yeah  
I got to; I got to move on yeah  
I will move on yeah (x3)
