

Only You (feat. Wizkid & Offset)

Metro Boomin & J Balvin

When I touch her body, lips drop
Please hold me tighter, be feelin' so lonely
When you know the deal, me say, gyal
I know, girl, I are, be feelin' so lonely
Said it's only you that make me feel this type of feeling, you on me
Girl, it's me who be your side
Girl, it's me who be your life See that, sexy sexy, wine it up for me, oh
Sexy sexy, wine it up for me, oh
See that, sexy sexy, wine it up for me, oh
Sexy sexy, wine it up for me, oh, yeah, yeah I'm bad for you, only you
Yeah, I'm bad for you, said only you (Hey)
Yeah, I'm bad for you, but only you
Girl I'm bad for you, said only you, yeah
Offset!
Like how she pop it like woah, woah woah
Like how she pop it like woah woah
Like how she pop it like woah, woah woah
Like how she pop it like woah, woah
Like how she pop it like woah woah woah
Like how she pop it like woah
Like how she pop it like woah woah woah
Like how she pop it like woah I want you to ride me just like a roller coaster
She popping that rocket, I cop the holy ghost
I'm Tony Montana with these Louis loafers
She turn to a animal when she take her clothes off
Cash money, baby, get your roll on
Fast money when she on the pole, huh
Bend it over, yeah, touch your toes, huh
Diamond chokers on me, you gon' notice
Let me eat it up just like a cold cut
Gon' and kiss it, let the water fall off
Face time with the dick, call on
Got it shaking in the building hold on
Tu eres sexy sexy, ven baila pa' mi
Tu eres sexy sexy, estas echa pa mi
Tu eres sexy sexy, de donde es que te ví?
No te vayas baby, ven quedate aquí Yeah, yeah, I'm bad for you, iré por ti
Only for you, solo por ti
Yeah, I'm bad for you, and only you
I'm bad for you, iré por ti
Only for you, solo por ti
Girl I'm bad for you, only you Solo dime, pa' mi tu eres un crimen

Tu entra con un flow terrible
Y me fundes to' lo fusibles
Dime cuanto gasto, pa mi mucho no es tanto
Ando volando alto
Y yo no fumo pasto
Es que me tienen mal a mi
Ya no se ni que decir
Yo ando aquí, esperando un si, desde hace rato
Vamos a hacer un trato, dime cuanto gasto
Pa mi mucho no es tanto
Ando volando alto, y yo no fumo pasto
Sexy sexy, wine it up for me ohh
Sexy sexy, wine it up for me ohh
Tu eres sexy sexy, estas echa pa mi
Tu eres sexy sexy, de donde es que te vi?
No te vayas baby, ven quedate aquí
I'm bad for you, ire por ti
Only you, solo por ti
Yeah i'm bad for you, and only you
I'm bad for you, but only you
Only for you, solo por ti
Girl I'm bad for you, only you
Like how she pop it like woah, woah woah
Like how she pop it like woah woah
Like how she pop it like woah, woah woah
Like how she pop it like woah woah
Like how she pop it like woah woah
Like how she pop it like woah, woah woah
