

Mother of Christ

Alice Donut

No.

Feeling.Buxom.

Feeling... Buxom.

Feeling... nice.

Nice.

It's inside of me(6x) Mother of Christ.

I wanna feel what Mary felt.(Mother of Christ)

I wanna feel what Mary felt, (Mother of Christ)
when God spent his seed.

No.

Feeling.fertile.

Feeling... immaculate.

Feeling... nice.

Nice.

It's inside of me(6x)

Mother of Christ.

I wanna feel the messiah's head .(Mother of Christ)

against my confused virgin breast (Mother of Christ)

I wanna lactate sin free. (short instrumental break) Mother of Christ.

Why does it sound so ugly?(Mother of Christ)

Why does it sound so ugly (Mother of Christ)

when I say waht I feel?

And I see the angel's mighty sheath.

And I feel the earth and heavens spread.

And I see the skewered burnig pit.

And I feel the nugget of the seed.

I'm the earth mother.

I'm the virgin mother.

Primordial mother.

The virgin mother. And I feel the womb envy within.

And I feel the holy conception.

And I hear the groans of the damned.

And I see the hymens ripped with sin. I'm the earth mother.

The virgin mother.

Primordial ooze

(fade).
