

Is It Real?

Strange Talk

Shouting windows from the lights,
Leaving silence on my own,
Frozen flame it has no right,
Running nowhere all alone,
What's the paintings on? her wall,
Memories of us they call,
Should I face or should I fall?
One demand in paradise Waiting restlessly not cold
Little things they? want unfurled
Other things come to an end
Shake my hand and say goodbye
Apologies are to and fro,
I can tell she wants to go
Utterly I want to know,
Is it real or is it real?
How does it make you feel?
How does she make it real?
How does it make you feel?
Is it real?
Is it real?
Is it real? Pushed away our empty words,
Left them hanging by the door
Sitting aimlessly up high,
Brought me down and went away Just a building in? my world
What if romance was a fraud?
Took my hand and turned away
One demand in paradise
Waiting restlessly not cold
Little things they? want unfurled
Other things come to an end
Shake my hand and say goodbye
Apologies are to and fro,
I can tell she wants to go
Utterly I want to know,
Is it real or is it real? How does it make you feel?
How does she make it real?
How does it make you feel?
Is it real?
Is it real?
Is it real? Everything I say to you,
Everything? I do for you,
Are you here? I cannot see,

Disappearing in the mist Waiting restlessly not cold
Little things they? want unfurled
Other things come to an end
Shake my hand and say goodbye
Apologies are to and fro,
I can tell she wants to go
Utterly I want to know,
Is it real or is it real? How does it make you feel?
How does she make it real?
How does it make you feel?
Is it real?
Is it real?
Is it real? How does it make you feel?
How does she make it real?
How does it make you feel?
Is it real?
Is it real?
Is it real?
