

Embryonic Journey

Hot Tuna

Half the world is sleeping,
half the world's awake
half can hear their hearts beat
half just hear them break I am but a traveler, in most every way
Ask me what you want... to know What a journey it has been
And the end is not in sight
But the stars are out tonight
and they're bound to guide my way When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been.
I have been to sorrow
I have been to bliss
Where I'll be tomorrow,
I can only guess Through the darkest desert
Through the deepest snow,
Forward always forward, I go... What a journey it has been
and the end is not in sight
But the stars are out tonight
and they're bound to guide my way When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been...
Forward, always forward...
Onward, always up...
Catching every drop of hope
In my empty cup What a journey it has been
And the end is not in sight
But the stars are out tonight
and they're bound to guide my way When they're shining on my life
I can see a better day
I won't let the darkness in,
what a journey it has been... What a journey it has been...
