

# Think of You

Usher

All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, baby I feel so strange thinking about you  
After all the wrong you've done to me  
I can't go on feeling like I do  
'Cause my heart loves you, I'm so confused All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, baby  
Don't waste my time  
'Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on To another love, one that I can trust  
With my heart I know she'll never run away  
Just can't talk no more so I'm out the door  
Talk to me, why you wanna play love games? All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, oh baby  
All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, oh baby To another love, one that I can trust  
With my heart I know she'll never run away  
Just can't take no more so I'm out the door  
Talk to me, why you wanna play love games? All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, oh baby All the time I think of you  
Holding on to someone new  
Don't make me lose my mind

Seems like I've been here before  
Baby, I can't take no more  
Of you trying to play me out, baby
