

# Groove My Mind

## Color Me Badd

Girl it seems like only yesterday  
that I fell in love you  
And girl I-I-I really have to say-ay  
It's a pleasure knowing you and  
I just can't explain the way I feel  
When tender words leave your lips  
And every moment that you are here with me  
I'm so happy my heart skips a beat - sugarChorus  
I love the way you groove my mind  
I like the way you make me feel  
I love the way you groove my mind  
Honey when we make love - Hoooo  
When I first began to trust  
you were there long before me  
Sharing all your love and trust  
But then I asked myself  
How can this be -hooo  
Hey Someone as beautiful as you  
Who can give me love so true  
I don't know but I feel it through and through - ho  
So baby don't stop (don't stop)  
Doin' watcha' doOh-O I ain't no Cassanova  
But honey I need your love everyday - hooo  
And hey I just wanna get next to you  
So let's get it on  
Let's get it on and on  
I love the way you groove way you groove way you groove  
I love the way you groove way you groove way you groove me  
I love the way you groove way you groove way you groove  
I love the way you groove way you groove way you groove meI love the way you groove (The  
way you groove groove my mind baby)  
I love the way you make  
I love the way you groove
